

PROJECT INFORMATION SHEET

U.S. ARMY CORPS OF ENGINEERS

BUILDING STRONG

IIS-USEPA-Charlevoix Municipal Well, MI

Description

Investigation to track the migration of the contaminated material from the identified sources and developed a action plan to remediate the contamination that has infiltrated the ground water. Several monitoring wells are being installed, vapor intrusion tests and ground water samples are being collected. FY17 funds will be used to continue this investigation and start a final report.
